

Regional Development Meeting

Thursday 10th January 2019

Leeds

Come along and receive updates from YAHR and TAT, share in a lively information exchange session, and a workshop on

‘Trustee Induction’

A ‘fit for purpose’ induction needn’t be onerous, but it does ensure new trustees become valuable and effective members of your committee by understanding :

- Their role on the committee
- The committee’s role within the life of your U3A.

Come along and bring your own experiences, identify issues you maybe haven’t previously considered, what to include in an induction and ways to carry it out.

Any interested Committee Member or Nominee can apply

It’s Free!! This event is funded by U3A National Office, and is free to any trustee serving on a U3A Committee

To Make an Application, email secretary@yahru3a.co.uk

Our Regional Development Meetings are run 3 times a year

The aim is to:

- ❖ Keep your U3A local committee up to date with key information from TAT
- ❖ Offer an opportunity for you to bring issues of concern to your U3A
- ❖ Network, and enjoy time out with other U3As
- ❖ Take part in the information sharing session, and the workshop on a topic that is set to support you to run your U3A to the optimum benefit of your membership
