

Alzheimer's Research UK
would like to introduce our new...

Community Speaker Network

Your local Alzheimer's Research UK Volunteer
Community Speakers are a vital force in our
efforts to defeat dementia.

They can tell you about our pioneering research
to create a world free from the fear, harm and
heartbreak of dementia.

To find out how we can tailor-make talks to your
local community group please contact:

850,000

people are estimated to be living with dementia in the UK.

Our Volunteer Community Speakers can visit your group and provide information about:

- What dementia is and help break down the stigma and myths surrounding the condition.
- The power of research, risk factors and how we defeat dementia.
- Alzheimer's Research UK and the charity's vision.
- Different ways our research is being funded by our wonderful supporters.
- How your group can get involved in supporting Alzheimer's Research UK.

1 in 3

people born in the UK this year will develop dementia in their lifetime.
