

ALTERNATIVE WAYS OF WORKING - workshop

10.00 Thursday 22nd July 2021 via Zoom

As we slowly move out of Lockdown regulations, many of us are concerned about how we will manage our groups and meetings in the future. Some members may long for face-to-face meetings, whilst others are very reticent about leaving home and socialising. Your YAHR committee would like to invite trustees and members of all u3as in our region to this workshop highlighting this important issue.

The workshop will be presented by Liz Thackray who has shared her ideas already at national level but has now offered to address an audience in Yorkshire. She will be happy to answer questions and to discuss ideas so that this can hopefully be an interactive and enlightening session; it is aimed at any concerned u3a members and not only those with higher technical ability.

You may be interested to note that Liz has been nominated as a candidate for Chair of the Trust, so this is a good opportunity to meet her.

We have plenty of spaces available but do need to ensure that we plan for numbers at this event so everyone is asked to please **REGISTER** for it via the 'events' tab on our website or going straight to: <https://yahru3a.co.uk/events/>

The Zoom invitation is given below and will also be on our website.
